Rydal Stocked/Paint to Order Colours

Please Note: The information shown in this literature is accurate as at the date of print/release shown on such information but it may be subject to changes after such date. Please therefore ensure that you are viewing the most current product available and check with us if you have any doubt about the suitability of the product or accuracy of the information shown.

RYDAL PRODUCT OVERVIEW

	Product Information	
	Product Description:	5 piece shaker door with flat centre panel & feature joints (foil door/overpainted foil door)
	Product Colours:	6 stocked colours/paint to order
	Product Finish:	Matt/matt overpainted, ash woodgrain structure
	Base Material:	MDF
	Base Thickness:	22mm (end panels are 18mm)
	Covering Material:	Foil/overpainted foil
	Edging Material:	Foil wrapped/overpainted foil wrap, 2mm ABS edge top and bottom
	Edging Colour:	Matches face
	Reverse Colour:	Matches face
Product Dimension:	Standard door and drawer range	

Additional Information

Stocked colours: Rydal stocked colours are foil wrapped and are not hand painted like the Rydal Paint to Order range. Please note, some of the accessories are timber which are hand painted to match the door colour.

Paint to order colours: The Rydal Paint to Order door is an overpainted foil door and is available on a lead time. Please note, some of the accessories are timber which are hand painted to match the door colour.

End panels: End panels are 18 mm thickness and have a visible grain structure on both sides. The grain direction is along the longest length. End panels are edged all round.

T&G end panels: T&G on one side, plain on the reverse. Only available in 2400 x 650 x 18mm size.

IMPORTANT PLEASE NOTE:

While we endeavour to keep the information up to date and correct we do not make any representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability and suitability of the doors and products that appear in this literature.

We aim to showcase as many different items as possible in our kitchen images and therefore some products have been installed and photographed purely to show as many of our product features as possible and they should not be taken as an example of how they are intended to be installed in real kitchen installations.

It is the responsibility of the installer to check the corresponding manufacturer's installation information and the manufacturer's technical information to ensure this is up to date and to ensure that the products can be fitted in a way they are displayed and the products are suitable for your requirements.

We specifically exclude any liability in this regard unless the products are fitted in accordance with the specifications we supply and the manufacturer's installation recommendations are used in a way recommended by the manufacturer and in accordance with the manufacturer's technical information provided.

The information shown in this literature is accurate as at the date of release but it may be subject to changes after such date. Please therefore ensure that you are viewing the most current product information available and check with us if you have any doubt about the suitability of the product or accuracy of the information shown.

We are proud that all our products that we sell are covered by a statutory warranty but this does not stop all our products naturally ageing overtime. **As a result of this natural ageing process we are therefore unable to provide an identical colour finish to the existing products you have purchased from us with any products that we supply you from the same product line.** In such event our liability will be limited to the purchase price paid for the product you are seeking to replace.

Due to the limitations on photographic reproduction, colours may differ slightly from the actual products shown.

Please note that board matches listed with the doors are a suggestion only and better board matches may be available on the market. It is up to the individual to decide on its suitability.
